

SYMPOSIUM SPEAKERS

RANDY GASCOYNE, BSc, MD

Research Director, Centre for Lymphoid Cancers
Department of Pathology and Advanced Therapeutics
BC Cancer Agency & BC Cancer Research Centre
Vancouver, BC

ELAINE S. JAFFE, MD

Chief, Hematopathology Section
Laboratory of Pathology, National Cancer Institute
Bethesda, MD

RONALD JAFFE, MB, BCH

Department of Pathology, Children's Hospital of Pittsburgh
Professor of Pathology, University of Pittsburgh
Pittsburgh, PA

SHERRIE PERKINS, MD, PhD

Professor of Pathology, University of Utah
Chief Medical officer of ARUP
Salt Lake City, Utah

LAWRENCE M. WEISS, MD

Chairman, Department of Pathology, City of Hope
Duarte, CA

The site of the 2010 Banff Pathology Update Course: Lymph Node Pathology is the Rimrock Resort Hotel which is built on the side of Sulphur Mountain overlooking the Town of Banff and offers a spectacular view of the mountains.

The Rimrock Resort Hotel is a CAA Four Diamond rated property and a member of "The Leading Hotels of the World"

Triple and quadruple accommodation is available at an additional cost of \$33.00 per person, per day.

Room/night	Single Rate	Double Rate	
Superior	\$238.00	\$246.00	(Cdn + tax)
Deluxe	\$255.00	\$263.00	(Cdn + tax)
Premium	\$275.00	\$283.00	(Cdn + tax)

The Rimrock Resort Hotel allows a maximum of four (4) adults per guest room.

Children under the age of 18 years, sharing a room with their parent (s), stay at no charge.

For reservations:

Phone: 1-888-746-7625 Canada & USA

Email: reservations@rimrockresort.com

TRANSPORTATION

Banff Airporter is the area's leading airport transportation company, offering 10 daily scheduled departures between Calgary International Airport and The Rimrock Resort. Banff Airporter have extended a 15% discount to all Banff Pathology Course and The Society of Pediatric Pathology Conference 2010 delegates. To book click on this link <http://www.banffairporter.com/conferences/pathology.html> and receive your discount. Banff Airporter reservations agents are available to answer any questions you may have from 8am to 10pm (MST) 7 days a week on 1-888-449-2901 ext#1 or +1-403-762-3330 ext #1, or e-mail info@banffairporter.com. Banff Airporter also offers in-town sedan service in Banff and a connecting service between Banff and Canmore.

2010 Society for Pediatric Pathology Fall Meeting

September 3-5, 2010
The Rimrock Resort Hotel
Banff, Alberta, Canada

In conjunction with:
2010 Banff Pathology Course
Lymph Node Pathology Update
September 1-4, 2010

The 2010 Society for Pediatric Pathology Fall Meeting

In conjunction with: 2010 Banff Pathology Course—Lymph Node Pathology Update, September 1-4 , 2010

The 2010 Fall SPP Symposium will provide a comprehensive update on pediatric lymph node pathology. Specific topics to be included are the new 2008 World Health Organization Lymphoma Classification Scheme (including newly recognized pediatric lymphoma entities), Hodgkin Lymphoma and its differential diagnosis, pediatric non-Hodgkin lymphomas, EBV-associated lymphoproliferative disorders, pediatric reactive lymphoproliferative disorders, and pediatric histiocytic/dendritic cell processes. Four world-class speakers have agreed to take part in the Symposium: Drs. Elaine S Jaffe, Ron Jaffe, Sherrie L Perkins and Lawrence M Weiss.

The 2010 SPP Fall Symposium will be held at the beautiful Rimrock Hotel in Banff, Alberta in conjunction with the Banff Pathology Review Course, which is run in alternate years by the University of Calgary or the University of Alberta (Edmonton). The 2010 Banff Pathology Review Course (Sept 2-4) will be run by the Department of Pathology & Laboratory Medicine, University of Calgary. Since 2010 marks the 10th anniversary for this popular topical CME course, we decided to do something different and hold this Course and the SPP Fall meeting back-to-back with the last half day shared between the two meetings. The topic for the Banff Pathology Review Course will be lymph node pathology (the first two days will be mostly adult) and the topic for the last half-day of the Banff Pathology Review Course (the morning of September 4, 2010) will be pediatric lymph node pathology and this will be a shared session with the SPP Symposium.

Continuing Medical Education Accreditation

The Society for Pediatric Pathology is accredited by the Accreditation Council for Continuing medical education for physicians. Certification of attendance and/or continuing medical education (CME) category 1 credit will be issued through the Society for Pediatric Pathology.

The Society for Pediatric Pathology designates this educational activity for a maximum of ____ hours AMA PRA Category 1 *credits*™. Physicians should only claim credit commensurate with the extent of their participation in the activity.

Disclosure

In accordance with the ACCME guidelines, all faculty and planners have indicated that they and their spouses/partners have no significant or other relationship with a commercial company, entity or service, (which would be discussed in this educational program) to disclose. The SPP has also required that the speakers disclose any products that are not labeled for the use under discussion and that the disclosure be made to the audience at the time of presentation.

Needs Assessment

Pediatric pathologists regularly need to update their knowledge related to pediatric lymph node pathology, which includes the following broad entities: Non-Hodgkin Lymphoma, Hodgkin Lymphoma, EBV-Associated Lymphoproliferative Disorders, Reactive Lymphoproliferative Lesions, and Histiocytic Processes. An update at this time is critical as a new World Health Organization classification scheme was announced in 2008 which recognizes several new pediatric lymphoma entities. Critical knowledge has evolved in all of the above-mentioned lymphoid entities. Our slate of world class speakers will address classification systems, clinical features, morphologic diagnosis, and the roles of immunohistochemistry and ancillary testing (molecular, cytogenetics, etc.) in the diagnosis and reporting of these lesions. This SPP Fall Meeting Symposium is unique in that we have "piggy-backed" onto a second scheduled CME event, our Department's Banff Pathology Review Course. This has allowed us to expand our speaker budget by using historical projected revenue from the Banff Pathology Review Course to help bankroll speakers external to the SPP. The proposed Symposium has been specifically designed to provide a comprehensive overview of the above-mentioned entities (see titles of talks and specific objectives for each speaker below) and to provide "one stop shopping" CME for the practicing pediatric pathologist's lymph node pathology needs.

Perinatal Pathology Symposium (shared session Needs Assessment??)

SPP COMMITTEE MEETINGS		
FRIDAY, SEPTEMBER 3, 2010		
TIME	EVENT	LOCATION
8:00 - 10:00am	Executive Committee	Hawthorn C
10:30 - 12:30pm	Ad Hoc Committee for CME Planning	Hawthorn C
12:30 - 1:30pm	Strategic Planning Committee	Hawthorn C
1:00 - 2:00pm	Practice Committee	Hawthorn B
1:30 - 3:00pm	Finance Committee	Hawthorn C
1:00 - 4:00pm	Education Committee	Hawthorn A
2:00 - 3:00 pm	Fellowship Committee	Hawthorn B
3:00 - 4:00pm	Membership Committee	Hawthorn C
3:00 - 4:00pm	Archives Committee	Boardroom
3:00 - 4:00pm	PPS Council Meeting	Hawthorn B
4:00 - 6:00pm	SPP Council Meeting	Wildrose Salon A

2010 SPP FALL MEETING PROGRAM		
FRIDAY, SEPTEMBER 3, 2010		
TIME	EVENT	LOCATION
2:00 – 6:00pm	SPP Registration	Wildrose Prefunction
6:30 – 8:00pm	Welcome Reception (cash bar)	Wildrose Prefunction
SATURDAY, SEPTEMBER 4, 2010		
SHARED SESSION BANFF PATHOLOGY COURSE AND SOCIETY FOR PEDIATRIC PATHOLOGY SYMPOSIUM		
TIME	EVENT	LOCATION
6:30 - 7:15am	Registration & Breakfast	Wildrose Prefunction/Hawthorne A-C
7:15 - 7:30	Dr. Jim Wright - Introductory Remarks & Welcome	Salon ABC
7:30 - 8:15	Dr. Elaine Jaffe "2008 WHO Classification of Lymphomas. An Overview"	Salon ABC
8:15 - 9:00	Dr. Lawrence Weiss "Hodgkin Lymphoma and Differential Diagnosis"	Salon ABC
9:00 - 9:45	Dr. Sherrie Perkins "Pediatric Non-Hodgkin Lymphoma. Recent advances and new entities"	Salon ABC
9:45 - 10:00	Break	Wildrose Prefunction
10:00 - 10:45	Dr. Lawrence Weiss "EBV Associated Lymphoproliferative Disorders. Update and Clinical Significance of New Entities"	Salon ABC
10:45 - 11:30	Dr. Sherrie Perkins "Reactive lymphoproliferative lesions in children"	Salon ABC
11:30 - 12:15pm	Dr. Ron Jaffe "The Spectrum of Histiocytic Processes in Childhood"	Salon ABC
12:15 - 12:45	Question and Answer Period with Panel	Salon ABC
12:45 - 1:00	Closing Remarks	
1:00	Lunch (pick up previously purchased box lunches) Posters available for viewing	Wildrose Prefunction
1:30 - 1:45	General Announcements & Introductory Remarks	Salon BC
1:45 - 3:00	Platform Presentations – Session 1	Salon BC
3:00 - 3:15	Break	Wildrose Prefunction
3:15 - 4:30	Platform Presentations – Sessions 2a & 2b	Salon A/ Salon BC

4:40 - 5:30	LOTTE STRAUSS LECTURE Dr. Charles G. Mullighan "BCR-ABL1 Lymphoblastic Leukemia is Characterized by the Deletion of Ikaros"	Salon BC
The purpose of the Dr. Lotte Strauss Prize is to recognize meritorious work by any individual 40 years of age or younger in a subject germane to pediatric pathology. The work must be accepted for publication or published during the year preceding the Spring meeting at which the award is presented.		
5:30pm	SPP Registration Desk Closes	Wildrose Prefunction
5:30 - 7:00	Banff Gondola to the top of Sulfur Mountain	
6:00 - 7:00	Cocktails (cash bar)	Regal View
7:00 - 9:00	SPP Banquet	Garden Restaurant
8:30 - 10:00	Banff Gondola back to base (5 min walk to Hotel)	
SUNDAY, SEPTEMBER 5, 2010		
7:00 - 8:00am	Breakfast	Wildrose Prefunction
7:00 - Noon	SPP registration Desk	Wildrose Prefunction
7:00am - 1:00pm	Posters Available for Viewing	
7:30 - 8:10am	COG UPDATE Dr. Amy Heerema-McKenney "Pediatric Acute Myeloid Leukemia: COG Experience with the 2008 Classification"	Salon BC
8:10 - 8:15	Announcements	Salon BC
8:15 - 9:45	Platform Presentations – Session 3a & 3b	Salon A Salon BC
9:45 - 10:15	Break & Poster Viewing	Wildrose Prefunction
10:15 - 11:45	Poster Discussion	Salon BC
11:45 - 12:00	Awards	Salon BC
12:00 - 1:00pm	Lunch (Pick Up Previously Purchased Box Lunches)	Wildrose Prefunction
1:00 - 5:00	Perinatal Pathology Symposium	Salon BC
5:00 - 6:00	Perinatal Section Meeting	TBD
7:30pm	Informal Slide Viewing Session for perinatal pathologists	TBD

Overall Program Objectives:

1. Through the platform and poster scientific sessions, to host a forum for the presentation and discussion of recent research related to the biology, characterization and/or diagnosis of pediatric disease.
2. Through the Symposium, to provide a comprehensive up-to-date review of lymph node pathology, pathobiology, including Hodgkin and Non-Hodgkin Lymphoma, EBV associated lymphoproliferative disorders, reactive lymphoproliferative lesions, and histiocytic processes.
